

SUPPORTING YOUR TEAM. BUILDING A LEGACY.

Made up of over 140 member colleges and universities and 5,000 student athletes, USCSA has been the preeminent governing body for collegiate team ski racing and snowboarding in North America since 1974.

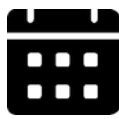

COLLEGIATE SNOWSPORTS COMPETITION

Conference Events
Throughout the
United States

Regionals &
Nationals
Events

Volunteers Needed
January Through
March Annually

USCSA supports varsity teams with school funding and paid coaching staff as well as club teams with student leaders or volunteer staff. Athletes range from highly competitive to less competitive and fun, intramural style.

A unique aspect of USCSA is its focus on team performance. Teams field five or more racers, with the top three performances used for the team score. Most former USCSA athletes agree that this team orientation has been a positive influence in other aspects of their lives and careers.
