

## 2024 Ikon Pass College Grant

**College Support:** The Ikon Pass College Grant was formed to provide financial assistance to college clubs participating in our Ikon Pass College Club Program. The intention of these grants is to help with the inclusion of snow sports in college communities through events, projects, activities, gear/supplies, etc. Grants will be offered with a value of \$3,000 each across three different categories: club trip, gear/equipment, and other.

### Criteria to Receive Grant:

*\*For this grant, the Club/Team/Organization applying will be referred to as the "Group".*

- The Group is registered in the Ikon Pass College Club Program for the 24/25 season.
- The Group is officially affiliated and in good standing with their college or university.
- The Group demonstrates a positive image and values snow sports as well as the importance of connecting students to the mountains.
- The Group has a mission that incorporates inclusion, diversity, community, accessibility, or sustainability.
- The grant is thoughtfully written with details and pricing as to what the grant will be used for.
- The Group's mission is clearly represented in what the grant will be used for.

Applying Groups should be able to document their affiliation with their college or university, show positive examples of their group within the college or snow sports community, and be able to share what the grant will be used for in detail.

### Application Process:

Groups interested in receiving a grant must apply and send supporting documentation by email. Grant applications are open from August 12<sup>th</sup>, 2024, to November 1st, 2024. Recipients of the grants will be notified via email.
